Malta computer room solar container system manufacturer

Overview

Alternative Technologies Ltd. was set up in 2008 with a mission to provide homeowners and businesses alike with the right guidance to achieve their energy efficiency goals.

Alternative Technologies Ltd. was set up in 2008 with a mission to provide homeowners and businesses alike with the right guidance to achieve their energy efficiency goals.

We’re a one-stop source for solar panels Malta, battery storage, off-grid, PV and other energy solutions. Why choose Virtue Solaris?

Our special offers are unmatched in the local industry. This means our solar panels generate the best ROI for YOU. Each PV (photovoltaic) energy system is designed.

Our trained personnel will visit your premises free of charge to determine what system is perfect for you. The system will be designed, and a shading analysis will be carried out to ensure that you will make the most out of this investment. Carried out by our in-house installation team to ensure.

As Mediterranean nations push for carbon neutrality, Malta photovoltaic panel manufacturers have become pivotal players in renewable energy adoption. With over 300 sunny days annually, Malta's solar potential rivals Spain's Costa del Sol, yet its unique compact geography demands As Mediterranean.

Our Director, a mechanical engineer by profession, founded EMS Limited (Energy Management Solutions Limited) driven by a passion for sustainable energy solutions. With extensive experience gained since 2006, both in his family’s wholesale business and as a consultant on diverse engineering.

Alternative Technologies Ltd. was set up in 2008 with a mission to provide homeowners and businesses alike with the right guidance to achieve their energy efficiency goals. Geared to help you reduce your electricity bills as well as your carbon footprint all while giving you a sustainable lifestyle.

At CD Power Solutions, we strive to offer and provide top brand, high-quality solar PV systems and offer up to 30-year guarantee on all our systems. We are

constantly on the lookout for good and proven solar panels which will ultimately benefit our clients. In addition to this we only choose.
