

Atess hybrid inverter factory in Kuala-Lumpur

Overview

Where is ATESS based?

Based in Shenzhen, China, ATESS has a sophisticated and automated manufacturing plant. An international service network with offices and warehouses has been built in 5 continents to ensure fast shipping and after-sale service. Our product The ATESS solutions include all-in-one hybrid inverters, battery inverters and lithium battery solutions.

What are the products offered by a hybrid inverter?

Our product offerings include hybrid inverters, battery inverters, battery solutions, solar charge controllers, bypass cabinets, and rectifiers, providing comprehensive solutions for diverse energy needs. All-in-one hybrid inverter has a power range from 5kW to 150kW.

What is an ATESS bidirectional battery inverter?

The ATESS bidirectional battery inverter, also known as the power conversion system (PCS), is the core energy management and conversion unit of large-scale energy storage systems.

How many kW can a hybrid inverter support?

Supporting up to 1200kW system capacity. All-in-one hybrid inverter has a power range from 5kW to 150kW. This integrated solar hybrid inverter integrates photovoltaic, energy storage and grid management, providing reliable backup power, achieving energy independence and having strong grid support capabilities.

Atess hybrid inverter factory in Kuala-Lumpur

114KWh ESS

All-scenario ESS & EV Charging Solutions

Factory: For factories with higher energy consumption, the 50kw hybrid inverter and 40kw hybrid inverter can significantly lower operational costs ...

Hybrid Inverter , Three-phase All-in-one Inverter from 30kW to 50kW

Factory: For factories with higher energy consumption, the 50kw hybrid inverter and 40kw hybrid inverter can significantly lower operational costs and ensure production continuity during grid ...

Solar Energy Storage System & EV Charger ...

Expert in solar energy storage, ATESS offers energy storage solutions & EV charger solutions and delivers clean power to more than 85 countries, ...
