

CD40 Battery Cabinet

Overview

Does C&D offer a battery cabinet?

C&D now offers an integrated battery cabinet solution. We carry a full line of factory-assembled cabinets designed for data center UPS backup systems with pure lead agm batteries. C&D supplies high quality VRLA battery racks to telecommunications, data center, and energy & infrastructure markets.

What is a battery cabinet?

A battery cabinet houses and protects the batteries that supply stored energy to a UPS system. It ensures that backup power is readily available whenever primary power is interrupted. Battery cabinets can be installed indoors or outdoors and are designed to provide secure, organized, and scalable energy storage for continuous power delivery.

What types of battery cabinets are available?

Tariff Relief. Up to 10% Protection. Battery cabinets from diverse manufacturers APC, Toshiba, CC Power, Eaton, Powerware, Mitsubishi, Narada, and Salicru. We stock new and used battery cabinets in support of our energy storage packages, ups backup systems and rental UPS. Speak to a power expert to match up with your specific requirements.

Does C&D Technologies offer standby battery solutions?

C&D Technologies offers complete standby battery solutions, including accessories. Find the right battery storage racks, cabinets, and enclosures for your needs.
