## Overview

---

Two of the latest legislative and regulatory steps by the government are the Ministry of Mines and Energy's guidelines for rooftop solar systems, and most recently the long-awaited Environment and Natural Resources Code, which was enacted on June 29, 2023. Rooftop Solar Projects.

Two of the latest legislative and regulatory steps by the government are the Ministry of Mines and Energy's guidelines for rooftop solar systems, and most recently the long-awaited Environment and Natural Resources Code, which was enacted on June 29, 2023. Rooftop Solar Projects.

The Ministry of Mines and Energy (MME) has announced a new set of "Updated Principles for Permitting the Use of Rooftop Solar Power in Cambodia" under Prakas No. 0312, replacing the earlier Prakas No. 0159 issued in 2023. Released on 18 November 2024, the updated principles categorise rooftop solar.

Cambodia has the potential to be one of the top countries in the world for generating renewable energy through solar, based on the average amount of sunlight hours available per day and the consistent sunshine throughout the year. The Cambodian government has recognized this potential and has made.

On 18 November 2024, the Ministry of Mines and Energy (" MME ") issued the " Updated Principles for Permitting the Use of Rooftop Solar " under Prakas No. 0312 (" 2024 Principles ") replacing the " Principles for Permitting the Use of Rooftop Solar Power in Cambodia " issued by the MME in Prakas.

On 18 November 2024, the Ministry of Mines and Energy (MME) issued the "Updated Principles for Permitting the Use of Rooftop Solar Power in Cambodia" (Updated RTS Principles). The Updated RTS Principles notably amended the requirements and steps to obtain (i) the permits for any persons wishing to.

Cambodia's Ministry of Mines and Energy has published a document outlining principles to permit the use of rooftop PV. The new policy replaces a monthly capacity fee for rooftop systems, with a tariff calculated based on an intricate formula. Image: Clean Energy Economy Minnesota Rooftop PV.

Phnom Penh, 13 June 2023 – Today, H.E. Suy Sem, Minister of Mines and Energy

presided the High-level Forum on the Principles for Permitting the Use of Rooftop Solar Power in Cambodia. The new Prakas (Ministerial Regulation) was presented; it will abrogate any previous Prakas, decisions and.
