Where can mobile storage containers be shipped?

Our mobile storage containers can be shipped cost effectively anywhere in North America. Mobile Container Sales manufactures and ships each storage container in easy to assemble modular units. Portable storage containers are the building blocks for any mobile storage business. As your business grows, so will your inventory of storage containers.

How are MCs mobile storage containers delivered?

MCS mobile storage containers can be delivered with roll off trucks, tilt n load trailers, or specialized delivery systems. They can be kept inside or outside in any weather. They are easy to assemble, cost effective to ship and are the longest lasting containers available today.

Are portable storage containers a good investment?

Portable storage containers are the building blocks for any mobile storage business. As your business grows, so will your inventory of storage containers. Making a mistake in purchasing substandard storage containers can be very costly and even devastating to any company.

How long does it take to assemble a mobile storage container?

It usually takes 2 men about an hour from start to finish to assemble each unit using standard tools. Naturally, the first container may take a little longer. These mobile storage containers were easy to assemble once we got the hang of it. Everything comes included.
