

Dominican Republic Folding Container 600kW

Overview

How long does it take a container to reach the Dominican Republic?

It usually takes between 8 to 25 days for a container to reach the Dominican Republic from the USA. We offer ocean freight to all major ports in the Dominican Republic.

Where can I ship to for delivery in Santa Domingo?

Santa Domingo is the capital and main city of the Dominican Republic, with a dry port where containers are handled by local Customs. We can also ship your cargo to other ports in the Dominican Republic using transshipment options, such as Boca Chica, San Pedro, and Romana.

How long does it take to ship to Dominican Republic?

The transit time for shipping to the Dominican Republic from the USA is between 8 to 25 days. We can give you the most accurate rate as soon as you provide the needed information, regardless of whether you are shipping from Miami, MD, Orlando, or any other places in the US or Canada.

What are the requirements for customs clearance in the Dominican Republic?

To clear customs in the Dominican Republic, customers must be present in the country and provide the following documents: a customs declaration of the shipment, a passport, and all documentation proving their intent to live in the Dominican Republic and that they have resided abroad for the past two years.
