

Fiji Energy Storage Power Portable

Overview

Experience the journey of Uprise Energy's Mobile Power Station (MPS) as it transforms off-grid energy solutions in Fiji. The MPS is a portable, renewable energy system that combines a 12kW wind turbine, battery storage, and advanced power control to deliver clean, reliable energy.

Experience the journey of Uprise Energy's Mobile Power Station (MPS) as it transforms off-grid energy solutions in Fiji. The MPS is a portable, renewable energy system that combines a 12kW wind turbine, battery storage, and advanced power control to deliver clean, reliable energy.

Founded in 2008, EcoDirect is a value added distributor that helps Fijian installers, do-it-yourselfers (DIY), homeowners, businesses and commercial projects in Viti Levu, Vanua Levu, Taveuni, Kadavu and throughout the Fijian archipelago with project design, supply, logistics and technical support.

That's exactly what the Fiji Energy Storage Station is doing. But who cares?

Well, if you're a renewable energy nerd, a climate-conscious traveler, or just someone who thinks "battery technology" sounds cooler than "another Zoom meeting," stick around. This blog breaks down why Fiji's energy gamble.
