

# Finished distribution cabinet container

## Overview

---

What are new and used storage containers?

New and used storage shipping containers are a great option for anyone who needs plenty of storage room. These containers can be delivered to your home or business, providing you with more space to store things that may not fit in your indoor premises.

What is a Chery Industrial container?

Chery Industrial containers are crafted from top-grade steel, ensuring strength, longevity, and resistance to harsh environmental conditions. Chery Industrial offers both high-cabinet containers and smaller containers, catering to a wide spectrum of storage and transportation requirements.

Is Xcaliber a good shipping container company?

Whatever use you have for your shipping container, we hope you love it and that it brings incredible value to your life. Not only is their product above and beyond what I expected but their customer service and drivers are top notch. I recommend Xcaliber to anyone that asks me. Looking for metal shipping, storage, cargo, or conex containers?

.

What is a shipping container?

A shipping container is a portable, transportable steel box that can store goods, with two doors on one side of the container. To ensure that equipment can be safely handled anywhere in the world, shipping containers are held to very specific specifications and dimensions.
