

Kampala Energy Storage solar Exhibition

Overview

The 4th Edition of Power & Elec Uganda, the Largest Power, Energy, Electrical, Electronics, Lighting, Solar & Other Renewables focused International Exhibition in Uganda will be taking place from the 9 - 11 July, 2026 at the Multi - Purpose Hall in UMA Show Grounds, Kampala.

The 4th Edition of Power & Elec Uganda, the Largest Power, Energy, Electrical, Electronics, Lighting, Solar & Other Renewables focused International Exhibition in Uganda will be taking place from the 9 - 11 July, 2026 at the Multi - Purpose Hall in UMA Show Grounds, Kampala.

Astrovison Global FZCO Dubai is delighted to inform you that the Power Energy & Solar Uganda Expo is scheduled to held from 21-23 May, 2026 at Multi-Purpose Hall, UMA Show Grounds, Kampala, Uganda. Power Energy & Solar Uganda Expo is Uganda's most focused solar, power, energy and electricity related.

The 4th Edition of Power & Elec Uganda, the Largest Power, Energy, Electrical, Electronics, Lighting, Solar & Other Renewables focused International Exhibition in Uganda will be taking place from the 9 - 11 July, 2026 at the Multi - Purpose Hall in UMA Show Grounds, Kampala. The exhibition will be.

The USEA National Solar Energy expo will bring industry players in the solar sector to serve as a vehicle for implementation of the strategic and annual work plans whose purpose is to foster solar market development in the country. With a membership of about 300 Solar Companies fully registered.

Power & Electricity Uganda 2026 marks the inaugural edition of Uganda's leading power and electricity exhibition. Taking place at UMA Showgrounds in Kampala, this event will bring together regional energy experts, innovators, and businesses to explore the future of power across East Africa.

The Uganda International Oil and Gas Summit (UIOGS) stands as a defining event in East Africa's energy calendar. As the oil and gas sector in Uganda continues to evolve, this summit offers an essential platform where industry leaders, government officials, and international stakeholders come.

The Uganda Electricity Distribution Company Limited (UEDCL) has called on energy

sector players to take advantage of its planned investment budget of USD 74 million (approximately UGX 285 billion) for the Financial Year 2025/2026. UEDCL, a government-owned parastatal, is mandated to own and manage.
