ChittoCharge - a Rental Power Bank service has brought a revolution in the power bank market with its up-to-date technology which qualifies all safety standards and sleek design that can be found at multiple strategically located stations that are operational 24/7 across Kathmandu Valley. Solve all.

Power Bank is a portable power supply which is easy to carry with large capacity and does not require electricity. They allow you to store energy in them like a battery and then later use it to charge up your phone. Power Banks come in different capacity and these are offered by a number of brands.

Since there are various power banks available in Nepal, we have curated a more compact list that we think is the most reliable in the context of Nepal My Power proudly announces itself as Nepal's "First and No.1 brand" for power banks. As such, their catalogue is really decorated with nearly 30.
