

Laminated solar glass

Laminated solar glass

Solar Control

A pane of XIR laminated glass and a second pane of glass are bonded by a spacer and separated by a sealed air space. While selectively blocking UV and near-IR, an XIR laminated IGU also ...

Solar Control Laminated Glass

Landson Glass' solar control laminated glass are with high-visible light transmittance, infrared radiation-absorbing interlayers designed to enhance solar heat gain performance in laminated ...

Solar Glass

Let the light in with Mitrex Solar Glass -- a powerhouse in disguise, where photovoltaics meet limitless design, where color meets clarity. You're not just choosing glass; you're choosing a ...

[Heat resistant & solar control glass for your windows](#)

Take a look at how solar control glass and laminated glass - either individually or combined - help to maintain a comfortable home, with ...

System Details Title

The following table indicates a selection of the performances that can be achieved using clear glass. A complete range of laminated solar control glasses complete with tinted and reflective ...

Laminate/Insulated Glass , PV Solar Glass

Laminated glass with PVB for safety and insulation. Insulated glass with chambers for thermal efficiency. 01.

- ☑ High energy density and long cycle life
- ☑ Modular structure

- ✓ No need to replace the battery
- ✓ Shorter charging time
- ✓ Meets 99.99% ear

Lo²-272/270 Solar Control Glass , Cardinal Glass Industries

Lo² glass can be purchased in heat-strengthened, tempered, and laminated glass configurations, with a variety of shapes and sizes.

Pilkington Solar-E(TM)

Thanks to their low exterior light reflectance the products are widely used for modern glass facades where high reflectance is prohibited or undesirable. Where a safety glass is required, ...

Insulating Laminated - Viracon

Configurations Insulating Laminated Glass. Viracon insulating laminated glass provides the solar performance of an insulating unit, combined with the safety and security features of laminated ...

[Heat resistant & solar control glass for your windows](#)

Take a look at how solar control glass and laminated glass - either individually or combined - help to maintain a comfortable home, with views and natural light and reduce the risk of ...

Saflex Solar

Saflex Solar PVB interlayers offer superior solar control, reducing heat gain and UV radiation while maintaining high visible light transmittance for laminated glass.
