

Manila Mobile Energy Storage Container 40ft

Overview

How much does a 40ft high cube container cost in Manila?

The 40ft high cube container (HC) has extra height and is perfect for taller and high-volume cargo. For a new 40ft HC shipping van, you're looking at a price anywhere between \$3500 to \$4500 in Manila. If you're looking for a more affordable option, then used 40ft HC units are perfect for you.

What services does Titan containers provide in the Philippines?

TITAN Containers supply new and used refrigerated, shipping and storage containers as well as offshore DNV CCU's and containers. Services include hire, rental and sale and we are now establishing all services in the Philippines.

How much does a 40 foot shipping container cost?

Starting at \$4,350 or Purchase for as low as \$197.73/month. Our 40-foot shipping containers are tough, sturdy, wind and watertight, and designed to keep contents safe and dry. Their size and availability make them the most cost-effective size, offering the lowest cost per square foot. Finding comparable storage space at this price is hard to find.

What can I store in a 10 ft container?

Perfect for storage of chill and frozen food products, pharmaceuticals, beverages, ingredients, chemicals, medicines and vaccines. Can also be used for cold testing components and engineering products. New and used 10ft, 20ft and 40 ft storage and shipping containers are available from our local depot network.
