

Manufacturer of 500kW Folding Containers for Steel Plants

Overview

Steel Container Systems manufactures industrial roll-off container products for the Waste, Recycling, Construction, Forestry and Mining industries.

Steel Container Systems manufactures industrial roll-off container products for the Waste, Recycling, Construction, Forestry and Mining industries.

Steel King's Hold 'n Fold® industrial steel storage containers combine the cost savings of a collapsible (light duty) container with the durability of a rigid (heavy duty) container. Because these containers are stackable up to six high when loaded to capacity, you get the flexibility you need for.

Effective warehouse storage is one of the main concerns in several industries. To address this concern, different types of racks are being developed by rack manufacturers. There is a large variety of racks available on the market. Each type of rack has its own set of properties, beneficial.

Custom manufacturer of containers made from aluminum, pre-galvanized wiring and stainless steel, carbon steel or mild steel materials. Wire, corrugated and collapsible containers are available. Capabilities include cutting, sawing, bending, stamping, straightening, trimming, threading, forming.

Our INDUSTRIAL METAL CONTAINERS, otherwise known as HEAVY DUTY METAL BINS, are ideal for hauling heavy loads. At Morrison Industries, we design industrial metal containers that provide a one-spot solution to keep your parts stored and transported safely. Our industrial metal containers can handle.

Standard Working life: Brand new containers with a long work life ranging from 10 to 25 years. Manufactured to ISO, UIC, TIR, CSC, TCT specification. Pass the approval of ABS, BV, CCS, GL. Standard Working life: Brand new containers with long working life ranging from 10 to 25 years. 1: What other.

We also have several choices for use in the automotive industry including the FORD SMF1-SMF10, Chrysler CC & CS and BMW M-1 thru M-8 series rigid steel containers. These bins are extremely durable and can really take a beating from the heavy duty parts. These can be used for storage, as well as.
