

Mozambique s new solar container battery company

Overview

Ncondezi Energy has sold its solar and battery storage project in Mozambique to focus on a new venture with China Machinery Engineering Corporation (CMEC).

Ncondezi Energy has sold its solar and battery storage project in Mozambique to focus on a new venture with China Machinery Engineering Corporation (CMEC).

Globeleq, the leading independent power company in Africa and its project partners, Source Energia, an energy developer focused on Lusophone Africa, and Electricidade de Moçambique (EDM), the Mozambican national power utility, confirms that it has now received formal notification from EDM (the

Globeleq, Africa's independent power producer, has recently announced the launch of commercial operations at the 19 MWp Cuamba Solar PV and 7 MWh energy storage plant in northern Mozambique. Globeleq, majority-owned by British International Investment (BII), began active development on the project.

Ncondezi Energy has sold its solar and battery storage project in Mozambique to focus on a new venture with China Machinery Engineering Corporation (CMEC). Ncondezi Energy's wholly-owned subsidiary Ncondezi Green Power sold group company Mozambique Green Power, which owns the group's maiden 400kWp.

African focused renewable energy independent power producer, Globeleq, and its project partners, Source Energia and Electricidade de Moçambique (EDM) have announced the commencement of construction for the 19MWp (15MWac) Cuamba Solar PV plant and a 2 MW (7MWh) energy storage system in Mozambique.

The global solar storage container market is experiencing explosive growth, with demand increasing by over 200% in the past two years. Pre-fabricated containerized solutions now account for approximately 35% of all new utility-scale storage deployments worldwide. North America leads with 40% market.

Commercial operations at the 19MWp Cuamba Solar PV and 7MWh battery energy storage plant in Mozambique are officially underway. Cuamba Solar PV and battery energy storage plant in Mozambique. Image Credit: Source Energy Commercial operations at the 19MWp Cuamba Solar PV and 7MWh battery energy.
