

# Nouakchott solar curtain wall customization company

## Overview

---

Are solar innovations ® curtain wall frames custom built?

All Solar Innovations ® curtain wall frames are custom built to meet the exact dimensions of your opening. Solar Innovations ® offers eight standard frame finish colors and unfinished aluminum; custom finish options are available at an additional cost.

What is a solar curtain wall?

Commercial applications are most often designed, engineered, and installed by Solar as storefronts. The curtain wall can be utilized on virtually any type of business. A system can be added to the exterior of your building or utilized for interior divisions between departments or as office walls.

Where is curtainwall design consulting located?

Curtainwall Design Consulting is based in Cambridge, Massachusetts, Seoul, South Korea, New York City, NY, San Diego, California, and Schaumburg, Illinois.
