/ Cox acquires 24 MW solar plant in Panama and accelerates inv. Madrid, April 21, 2025. Cox, a water and energy utility company, strengthens its position in Central America—one of its eight key growth regions—through the acquisition of Solar Pro, a 24MW solar plant in Panama with a 10-year.

While Panama is a global logistics champion, it does not yet produce the highly specialized components required for photovoltaic modules. This presents a critical challenge that must be addressed from the earliest planning stages. Any new manufacturing operation must navigate a global sourcing.
