

Royu circuit breaker factory in Singapore

Overview

Why should you choose a circuit breaker manufacturer in Singapore?

24/7 online get a quote! Circuit breakers are essential components of any electrical system, protecting against electrical overloads and short circuits. In Singapore, the demand for reliable and high-quality circuit breakers has led to the emergence of a thriving industry of circuit breaker manufacturers.

Are Royu circuit breakers safe to use?

ROYU offers circuit breakers that are Bureau of Philippine Standards (BPS) approved and safe to use. They are flame retardant, have better heat dissipation, and come with short circuit protection.

Who makes TESYS motor circuit breakers?

AIK SHENG is renowned for providing cost-effective solutions, particularly for its air and microcircuit breakers. As a distributor of top-tier brands such as Schneider Electric, they deliver superior quality products to their customers. Among their many offerings is the TeSys Motor Circuit Breakers.
