What to Look For In a Power Inverter
Wattage
The more wattage an inverter has, the more power it can generate. Depending on your use, you may need large loads of power, or your consumption may be minimal. Before you buy a power inverter, consider how you'll be using the device and try to determine how much power you'll ne...
Number of outlets
Most power inverters have two standard AC outlets for various electronic devices. Other models offer additional AC outlets and often USB ports to charge all of your devices--from laptops to fans and flood flights.
