Since 2013, we've.

TAG Energy has a long history with renewable and solar energy in Papua New Guinea and the Pacific region. Since 2013, we have implemented numerous projects, starting with our first solar system installation in Palmal, East New Britain, PNG. Our footprints now extend across various regions.

That's why smart, decentralized energy solutions are vital. Cetelnet is a trusted solar grids contractor in Port Moresby, offering complete solar energy systems that reduce fuel dependence, lower costs, and power communities and businesses with clean, renewable energy. We specialize in designing.

PNG Solar Supply provides end-to-end solutions for both off-grid and on-grid green energy solutions. Great job, Construction Electrical Services Limited ! Your work keeps speaking for itself. Best in industry. Again and again. Congratulations on the project accomplished for Santos Foundation.

At PNG Solar Supplies, we design, build and install customised solar power systems

to meet the specific needs of our customers. From modifying existing solar boards to installing new solar panels, our services range from 1KVA to 100KVA. AIMS Power inverters are available up to 8000 watts.
