## Space Solar Base Station

---

### [These are our top space images of all time](#)

Here are the best space pictures ever, from Hubble, the James Webb Space Telescope and more.

### **See how the Hubble Space Telescope is still revolutionizing ...**

Hubble is still going strong 35 years after it was launched into space. Celebrate its anniversary with some out-of-this-world images.

### **The International Space Station lacks microbial diversity. Is it too ...**

Hundreds of surface swabs reveal the station lacks microbial diversity, an imbalance that has been linked to health issues in other settings.

### [What will space exploration look like under Trump?](#)

The future of U.S. space exploration and NASA-funded science is up in the air as President-elect Donald Trump prepares to return to office. "There's just so many question ...

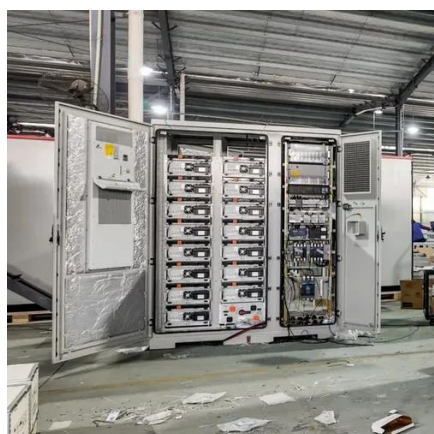

### [These space stories made us look up in 2025](#)

Space is always inspiring and 2025 was no exception, with finding Betelgeuse's buddy, debuting a prolific survey telescope and more.

### [Space missions spanned the solar system in 2024](#)

Humankind accomplished new feats in space this year, including scooping up some of the moon's farside and launching a probe to Jupiter's moon Europa.

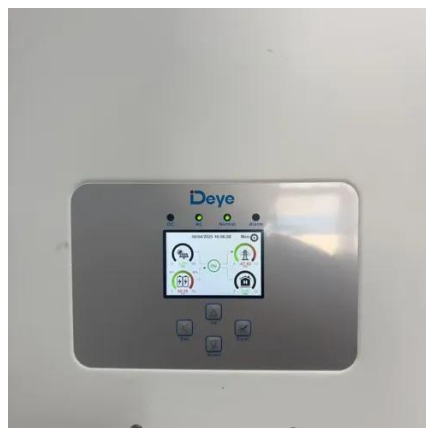

### **Two astronauts stuck in space for 9 months have returned to Earth**

Astronauts Suni Williams and Butch Wilmore's extended stay in the International Space Station will add to what we know about how space affects health.

## August 2025 , Science News

Space A passing star could fling Earth out of orbit  
Simulations show that the star's tug could send Mercury, Venus or Mars crashing into Earth -- or let Jupiter eject our world from the solar ...

## Space

The Space topic features the latest news in astronomy, cosmology, planetary science, exoplanets, astrobiology and more.

## The James Webb Space Telescope has reached its new home at ...

The James Webb Space Telescope has finally arrived at its new home. After a Christmas launch and a month of unfolding and assembling itself in space, the new space ...
