When the Japanese registered Hakone Maru set sail for the first time from Japan on

August 27, 1968, on its voyage to Oakland, United States it was a giant step in maritime cargo transportation – especially the transportation of standardized box containers. On its maiden voyage, it carried 752. What is the legal framework governing trade in Suriname?

The legal framework governing trade in Suriname encompasses various laws, regulations, and international agreements that are designed to facilitate commerce while ensuring that it aligns with ethical and legal standards.

What laws govern import and export activities in Suriname?

In Suriname, the primary laws that govern import and export activities include the Customs Act, the Trade Act, and regulations set forth by the Ministry of Trade, Industry, and Tourism.

Can Suriname import or export restricted goods?

The import or export of these goods is strictly forbidden, reflecting Suriname's commitment to adhering to international and national laws aimed at protecting both its citizens and the environment. On the other hand, restricted goods are allowed for import or export but are subject to specific regulations and require permits.

What documents do you need to import goods from Suriname?

This includes an invoice detailing the nature and value of the goods being imported, a bill of lading which acts as a receipt for the cargo, and any import permits as mandated by Surinamese law. These documents are critical for the clearance process and must be presented to customs upon arrival of the goods.
